Dear Friends,

February 28, 2022

Well, the Lord heard our prayers and took my mother home to heaven on February 11. I was able to spend the last week of her life in this world with her. Our communication decreased as her dementia increased but we shared a few good moments. Toward the end I was just praying for the Lord to end her suffering, and He did. Her heart just stopped- suddenly and quietly- and she went to join my dad and Mother-in-law. **Hallelujah! She left all suffering and problems behind. Please pray** for me as I continue to execute her will and work out problems that still exist in our family. My wife and children were very supportive as they traveled from West Virginia for the funeral service, arranged food for the reception, and bought flowers. Other family members and friends helped with the arrangements and my mom ended up having a funeral that properly honored her and her Lord. With God's help, I was able to give her eulogy in the same room where I preached over my dad, sister, and brother.

Please pray for our annual Board of Directors meeting that will take place at **9:00 AM, Saturday, March 26**, at the ministry office in Rainelle. We are going to celebrate the way that the Lord abundantly blessed our ministry last year and lay out a plan for how we might be able to serve Him more this year. I am very excited about our future in ministry- but we need wisdom, patience, strength, provision, and protection. **Please help us pray** for these things.

One reason that I am excited is because God has sent Sister "E" to help us. She is the person who gave almost \$10,000 last year so that we could cross off needing a sponsor for most of the needs on the back of this letter. Now she has given \$5000 last month and \$4500 this month to finish funding everything on our list of home projects. Remember, we started praying two years ago for the Lord to show His will concerning whatever home ministry might replace my trips overseas. Well, it sure looks certain that the Lord wants us to do something here at home. **Please pray** for me to have the wisdom and physical strength to get many of our projects done this year. I cannot wait for Spring to come.

Thank you for praying for Pastor Joseph in India. We continue to have difficulty in sending Brother Joseph his support. I have tried several different companies with the same result. The government of India does not want money sent to help any Christian family or charitable project. The government tries to bog down our money transfers and harass whoever receives our money. We used Western Union for many years, but they are no longer effective. The government of India is even trying to make a list of people who attend church so that they can deny any government benefits to the Christians. Muslims are also persecuted in the same ways. **Please pray** about a fundraiser I plan to start to buy a church vehicle for Pastor Joseph.

Thank you for praying for Pastor Aris Alfonso in Philippines. He continues to be on fire for preaching the Gospel. In the photo above you can see him preaching in the jail where four more souls asked Jesus to save them this week. **Please continue to pray for Brother Aris and Brother Andre in Ukraine.** Brother Andre has just sent me a message saying that it has become too dangerous in Kyiv, so he is evacuating his wife to safety in Western Ukraine. This war can be a major disruption to the work of the ministry in Ukraine. Certainly, many people may, by necessity of life or death, turn to God in faith. However, God's work, especially evangelism, might be restricted by the chaos in the lives of Christian workers who are just trying to survive. **Please pray for all our Ukrainian friends.**

In the name of Jesus, your grateful brother,

Franklin Tuck Jr.
