Dear Friends,

March 30, 2022

Thank you, so much for praying for me and the ministry. I am still trying to get used to the fact that my Mom is not with us anymore. Some little thing will happen, and I catch myself realizing that I would have usually called my Mom to tell her about it. **Thank you** for praying for our annual Board of Directors meeting. **God blessed** our time together, there were many good results to report on, and everyone is excited about how He might use our ministry this year. Our main topic was the **war in Ukraine**. **So far, we have been able to send \$18,000** for direct humanitarian aid to soldiers and refugees in the interior of the country. **We thank God** for all the donations that have been sent to countries bordering Ukraine to help more than 3,000,000 people that have evacuated out of the country. **Millions more are still trapped inside Ukraine**, however- needing food, water, medicine, heat, and transportation. These are the people and needs that our ministry is focused on. **We are working through six local churches associated with Pastors that we have had a strong, personal relationship with for the past 25 years.**

	<p>Source of Life Church 50 miles from Moldova border. Brother Andre Khudiakov staying there. Church runs feeding station on road to Moldova. Each day invites 40-100 refugees back to church for night. Needs: supplies, firewood, kitchen equipment, fuel.</p>		<p>Salvation Church Poltava Christian Center. Brother Andre used to be Pastor. Feeds refugees at train station, shelters 60+ refugees each night, feeds 100+ refugees staying in Poltava, rotates Chaplains to front lines. Needs: cost \$600+/day to operate.</p>
	<p>Temple of Peace Church Kyiv. Brother Andre is assistant pastor. Church shelters refugees, staging area for relief supplies, coordinates caravans to evacuate refugees from Chernihiv. Can be 20+ vehicles in one caravan. Needs: money to buy fuel.</p>		<p>Cross of Christ Church Poltava. Brother Michael is Pastor and also leads the annual Tent Ministry each year. He has risked 5 trips to take supplies to Kharkiv (2nd largest city, heavily bombed). His Deacon has welded 22 small winter woodstoves.</p>
	<p>Church plant in Piryatin Halfway between Kyiv and Poltava. Brother Vasily drives to warehouse near Kyiv. Buys diapers, infant formula, medicine, hygiene products. Delivers things to hospital in Okhtyrka, Sumy Piryatin. Needs: supplies, basic repairs to his van.</p>		<p>Born Again Church Mother church in Poltava. Brother Andre supervised construction. Staging area for relief supplies. Shelter for refugees. Has sent 16 vans of supplies to Sumy, Kharkiv, and Okhtyrka. Needs: supplies, money for fuel, medicines.</p>

We have been sending \$1,000 or \$2,000 at a time to each of these partners as they use what we have already sent. Again, the wonderful thing about our ministry is that all donations go directly to trusted men on the field who use the money to directly meet the needs of people in life-or-death situations. I will be visiting as many churches as possible to raise more support for humanitarian aid to Ukraine. We have also decided to help in another way. The red van in the photo for Cross of Christ Baptist Church looks good on the outside but is completely worn out from years of doing the tent ministry. Brother Michael needs a used van in good condition to replace it. He is delivering to an extremely dangerous place. We do not want him to stop, and we want him to be safe. **Please pray** that the **Lord would provide \$20,000+ to buy another van that could be used in the tent ministry after the war is over.**

In the name of Jesus, your grateful brother,

Franklin Tuck Jr.
