Dear Friends,

September 30, 2022

**Thank you, Lord**, for giving me strength and wisdom to get through another remarkably busy month- resulting in many good things to report. This month I visited the Smoot, Enon, and Birch River Baptist Churches. The situation with Covid had kept me out of my supporting churches since the beginning of 2020, so this was my first opportunity to meet the new Pastors at Smoot (Jeremy Nicholas) and Birch River (Chris Tatman). I really admire these young men, and their wives, for being willing to obey the call to serve God in this way at a time when taking a stand for Jesus is more difficult than ever. My report on the activities of our ministry was well received everywhere. Many people are especially interested in Ukraine. **Thank you** for praying for my brother, Bruce. He is still sober but was in the hospital for a week with COPD. He and my sister, Janet, have a very difficult time breathing. **Please continue** to pray for them and my responsibility for my Mom's estate.

**Children's Sunday School offering, Enon B.C.**

**Ukraine medical/evangelistic clinics 443 served, 18 professions of faith**

**Pastor Sergei Zakharchuk, family in Germany, needs prayer**

**We thank God** that the brave people of Ukraine were able to resist the aggression of Russia for another month. This must be **the Lord's handiwork** because of all the advantages Russia had at the beginning of the war. God works through people, though, so we **sincerely thank** all of you who have donated to help Ukraine. Pastor Andre Khudiakov received enough help from his supporters to replace his wife's car and begin repairing his home in Kyiv. The Lord spared his house from major damage (missiles struck the house connecting to his back yard), but he appreciates the grace that has been shown to him by his American friends. Andre and his wife have decided to continue ministering to the Source of Life Baptist Church in the village where they are staying until the end of this year while their home in Kyiv is being repaired. Pastor Michael Vlasenko used the \$1500 we sent him last month to conduct 5 medical/evangelistic clinics. 443 people heard the Gospel, received free eye examinations/glasses, and were served in many other ways. **The best news is that 18 of those people asked Jesus to save their souls.** We **praise the Lord** that one friend of our ministry has decided to give \$300/month to support the 15 relief workers in the Salvation Church in Poltava. \$3,000/month is needed. The pastors of two main churches that we work with in Poltava are both having serious difficulties. One, and his wife, are having severe health problems. The other sent his family to safety in Germany and one of his 5 children needs heart surgery. We were able to send \$500 in the second case and hope to send \$500 to the other one next month. **Please pray for the many needs in Ukraine.**

**Thank you for praying** for my upcoming **trip to Philippines October 23- November 10.** **Please pray daily** while I am gone. I am excited and humbled to report that all the churches that I mentioned above joined Sewell Valley Baptist Church (my home church) in giving the \$3,500 that was needed for expenses. This includes the \$1,000 needed to finish work on the church before our dedication ceremony during my visit. **Please pray** for Pastor Alfonso, his family, his church, and Philippines in general- it is now typhoon season there. **Many people here in America, especially Florida, need our prayers as they are faced with a devastating hurricane season.**

**Please continue to pray** for our work in India. **Pastor Joseph Nanneti's** health has improved, we continue supporting 8 local pastors besides Brother Joseph, and **we thank God** for providing \$625 that we sent for finishing work on the church's bathroom.

In the name of Jesus, your grateful brother,

*Franklin Tuck Jr.*
