August 31, 2025 Dear Friends,

September will be a special month, as we finish 29 years of ministry and begin our 30th one. That is a long time- a time filled with many disappointments, obstacles, and setbacks, but many more blessings, inspirations, and achievements. I feel like I wasted much of this year on my poor health, but I just have to leave all that in God's hands. His grace was sufficient for me to have the ablation done on my back earlier this month. The results were similar to that of previous injections, but much stronger and will last longer. I still cannot stand more than 20 minutes, but when I am standing, I am much stronger. I was so happy to be able to start doing some physical work. Thank you, Lord! I am trying to obey everyone that keeps saying, "Don't overdo it !!!"- but it is soooooo good to be productive. I have replaced two of the windows in my house and two at the ministry office- working 15 minutes, resting 30 minutes. We are planning to do my surgery (laminectomy) in the first week of November. Dr. Bhatia at WVU is hoping that this will take away some of the pain that is restricting me from standing.

Priscilla= beautiful bride

Door-to-door soul-winning

New deacon ordained despite war

Please continue to pray for Pastor Aris Alfonso in the Philippines. His congregation is very active in helping Pastor Arden De Pano establish a daughter church in San Fabian. After doing 15 children's feeding stations in other villages, they put as much time as possible into saturating San Fabian with the Gospel. Before starting any construction, they want every person in the area to be the target of soul-winning. Everything starts with the story of Jesus. Please pray that the Lord will provide \$275 to feed the children for another month and \$1,000 that is needed to survey and prepare documents for the church lot being bought in San Fabian. Please pray for the needs of Brother Arden De Pano and his family as they work with Brother Aris to start the new church.

Please continue to pray for Pastor Joseph Nanneti and our ministry in India. He and his wife were very happy to see their oldest daughter, Priscilla, get married this month. She had been waiting until she completed her MBA degree. As the father of two beautiful brides myself, I know how important it was for Brother Joseph to make Priscilla's wedding day the most special day of her life. I also know how hard that can be on a preacher's salary. Our ministry gave Priscilla a wedding gift out of appreciation for how she has helped her Dad to serve the Lord for many years. We are praying that we will also be able to increase Brother Joseph's monthly support to help keep up with the expenses of his growing family. Now that the wedding is past, Brother Joseph will conduct the VBS he has been planning. We are also still praying for the Lord to provide a vehicle for Brother Joseph to use.

Ukraine also needs extra prayer. It is just amazing how our friends have persevered during the war. With some outside help, they held several summer youth camps in the mountains, started a ministry to widows of Ukrainian soldiers, and continue to construct the new church building in Prizstanzonnoe. At the same time, men and their wives have answered God's call to become new pastors, teachers, and deacons in the ministry. Thank God, we were able to send \$1,925 in humanitarian aid this month. Brother Andre Khudiakov also received several love gifts that he used for dental treatment needed by his wife, support of young preachers, and other needs that he mentioned in his last prayerletter. The war in Ukraine is terrible, but the Lord continues to give His mercy and grace- which people like Brother Andre appreciate very much. Please pray, pray, pray.

In the name of Jesus, your grateful Brother, Franklin Juck In.
