Dear Friends, October 24, 2025

It is hard to believe that we are nearing the end of another year in this life. As usual, 2025 has been another hodgepodge of many disappointments, challenges, hardships, and blessings. Even though I have suffered with bad health all this year, what stands out in my mind is how good the Lord has been to me. His Holy Spirit has given me strength (both physical and spiritual) to keep going. His Provision has far exceeded what I could imagine, much less deserve. I have really enjoyed seeing Him shower blessings on my family. He has given me many wonderful memories that I will cherish for the rest of my life. For example, I was so happy to look at photos of the VBS that was held in the Baca Valley Church in India. I cannot thank God enough for using me to help build that church and support the ministry there. It is just sooooo satisfying to be involved in the things of God. I have been happy all week since telling a person that I forgave him for an offense that happened many years ago. The tremendous hurt from that offense had hung over my soul like a dark cloud for about 20 years. Then, last Sunday, the Holy Spirit gave me the unction that I should get rid of that cloud. I approached the person, told him that I forgave him, and went away with a song in my heart to replace the dark cloud. Please pray for me, that I would be more submitted to the Holy Spirit. I will especially need your prayers on the morning of October 31. That is when I will finally have surgery (double laminectomy) on my back at WVU.

Philippines- church addition

India VBS-8 teachers, 70 children

Ukraine- entrance new church

Pastor Joseph Nanneti in India still needs our prayers for his health, especially his kidneys. He was able to carry out a two-day VBS with the help of his family, two other pastors, and four teachers. 70 children attended. We praise God for improving the situation in Israel. Please pray that the ceasefire will hold, Hamas will give up its weapons, and all other points of the peace plan will work out. We thank God for working through President Trump, his team, and America to bring about greater peace in the Gaza region.

Lord, we again ask you to remove Putin as an obstacle to peace for Ukraine. It was very disturbing this month for Russia to bomb Poltava where the mother church of our ministry is located. God kept our friends unharmed but they had to endure very difficult experiences. Pastor Michael Vlasenko wrote to me that his house shook every time a missile or drone caused a nearby explosion. He and his family counted 38 such explosions. Brother Michael has been building a new church in the village of Priztansonnoe during the war. Please pray for the Lord to provide building materials for this. Thank God, we will be able to send at least \$1,650 in humanitarian aid to Ukraine by the end of this month. \$1,700 was already given to install gas heat in the church's refugee housing.

The Lord is still blessing ministry in Philippines. We thank God that \$275 was given to fund the children's feeding stations for another month. God is really using Pastor Aris Alfonso and his congregation to expand the work there, so there are many needs. At the main church-\$1500 is needed to finish building fence, \$4000 (of original \$7000) to build an addition, and \$1000 for gift-giving in December (250 children x \$4). At the daughter church-\$200 is needed to dig deep well, \$400 for electrical connection, \$600 to build restroom, \$400 to buy 50 plastic chairs, \$12000 to build church building, \$200/month to buy church lot (31 months left), and \$600 for giftgiving in December (150 children x \$4). Also, Aris' daughter, Annalois, needs help with college tuition (\$400 per semester). Please pray that the Lord will provide for all these needs that many souls will be saved as a result.

In the name of Jesus, your grateful Brother, Franklin Tuck In.
